

Amrita School of Engineering Bengaluru

Instructions regarding malpractice (to be announced to students by the faculty)

Students are strictly forbidden from indulging in any kind of malpractice during the tests.

1. Login on time for the test and be available in the invigilation channel during the entire test time.
2. **Test is to be completed and submitted within the allotted time. No extra time for submission will be allowed for any reason.**
3. Students are expected to ensure proper network connectivity for the exams.
4. Any kind of communication with friends/ family members is not allowed. If found communicating, such acts will be treated as malpractice.
5. Use of ear phones is not allowed.
6. Viva sessions are to be attended by the concerned student only. If any person supporting a candidate is noted, the student/students will be booked for malpractice.
7. Any kind of wrong submissions (wrong file /blurred page / submission in a different link) will not be entertained. Such submissions are considered to be invalid.

Important Note:

Malpractice of any kind noticed during the exam and during the evaluation will be viewed very seriously. Students indulging in malpractice during the online exams/viva will not be allowed to take further exams scheduled in the online mode.
